88 Vineyards®

Sauvignon Blanc

2026

Picked in the cool hush of early morning, our grapes arrive at the cellar at perfect ripeness, ready to reveal their brightest flavours. Protected with care from oxidation, they are gently pressed after a brief two-hour skin contact, letting the free-run juice carry the essence of the vineyard. Reductive techniques preserve the wine's purity, complexity and character, capturing the spirit of good fortune in every bottle.

Our vineyards span sunlit hills and hidden valleys, their soils of granite, sandstone and sand shaping each grape with quiet distinction. From this variety of meso-climates in the Western Cape, we select only the finest parcels, ensuring each bottle tells the story of place, time and care.

88 is the number of good fortune, and our newest Sauvignon Blanc has it in abundance. Refresh your palate with vibrant notes of tropical fruit, fresh grass and zesty lime, balanced by crisp acidity from our prosperous vineyards, where good fortune grows.
